

Geneva, January 7th 2010

Concern : Invitation: **Lunch - conference at Restaurant Le Cercle de la Terrasse**  
**Tuesday 2 FEBRUARY 2010 at 12 :00**  
***Indian Economy: Opportunities and Challenges (in English)***  
with **N.K. SINGH, Member of Parliament Upper House (Rajya Sabha)**

Dear Madam, dear Sir, dear Friends,

It is our great pleasure to invite you to a lunch-conference on **Tuesday February 2 2010**  
**with Mr N.K. SINGH** on the above mentioned topic.

Mr. Singh was born in Patna, Bihar and educated at St. Stephen's College and Delhi School of Economics. He served as Lecturer at St. Stephen's College before joining the Bihar cadre of the Indian Administrative Service. He was Additional Secretary (Economic Affairs), Expenditure Secretary, and Revenue Secretary in the Union Finance Ministry and held the position of Secretary to the Prime Minister. He has also been a Member of the Planning Commission, Government of India and subsequently Deputy Chairman of the Bihar State Planning Board.

Nand Kishore (N.K) Singh currently serves as a Member of Parliament Upper House (Rajya Sabha) in India, representing the state of Bihar. He is also a Member of Parliamentary Standing Committee on Human Resource Development, the Public Accounts Committee, and Member of the Consultative Committee on Finance. The position is the latest in a long and successful public service career spanning academic, bureaucratic and political arenas.

This lunch-conference is taking place only a few days after our General Assembly but Mr N.K. Singh will be participating at the WEF Davos and we have taken the opportunity of his visit to Switzerland to invite him as a guest speaker for the Geneva Asia Society. We feel very honoured that Mr. N.K. Singh has accepted our invitation.

We kindly ask you to send your registration not later than Friday, January 29th 2010 (noon-time). Full no-show.

We are looking very much forward to welcome you and your friends on this special occasion.

With kind regards

For the committee

Mariejo Duc-Reynaert
